Policy Regarding Official Service Contractor and Regulation for Exhibitor Appointed Display House Contractors to Install and Dismantle Displays

Show Management, acting on behalf of all exhibitors and in the best interest of the exposition, has appointed an Official Service Contractor to perform and provide necessary services and equipment.

The Official Service Contractor is appointed to:

- a. Insure the orderly and efficient installation and removal of the overall exposition,
- b. Assure the distribution of labor to all Exhibitors according to the need,
- c. Provide sufficient labor to satisfy the requirements of Exhibitors and for the exposition itself,
- d. See that the proper type and limits and insurance are in force, and
- e. Avoid any conflict with local union and/or exhibit hall regulations and requirements.

The Official Service Contractor will provide all usual trade show service, including labor. Exceptions are:

- f. Supervision may be provided by the Exhibitor,
- g. The Exhibitor may appoint an outside independent contractor for installation and dismantle only of the Exhibitor's display.

Exhibitors may employ the service of independent contractors to supervise the installation and dismantle of their display, providing that the Exhibitor and the installation and dismantling contractor comply with the following requirements:

1. The Exhibitor, in writing, must notify Show Management and Fern Exposition and Event Services of their intention to utilize an independent contractor no later than the given deadline date, furnishing the name, address and telephone number of the firm. Letters as such from independent contractors are neither valid nor acceptable.
2. Only the exhibitor named independent contractor's employees will be authorized on the show floor. Employees of third parties named or subcontracted by the Exhibitor named independent contractor will not be authorized admittance on the show floor unless those employees are named and badges as specified in the following article.
3. The independent contractor must furnish Show Management and Fern Exposition and Event Services with the names of all on-site employees who will be working on the exposition floor prior to the first move-in day and see that they have and wear at all times identification badges supplied by the independent contractor containing the independent contractor name, employee name, and Exhibitor company name, plus wear an exhibitor work pass supplied by Show Management.
4. The independent contractor must have all business licenses, permits and Worker's Compensation insurance required by the State and City government and the Convention Center Management prior to commencing work and shall provide Show Management and Fern Exposition and Event Services with evidence of compliance.
5. The independent contractor must carry a minimum of \$1,000,000.00 in Commercial General Liability Insurance and shall provide Show Management and Fern Exposition and Event Services with a certificate of insurance showing coverages and amounts and naming the sponsor, Fern Exposition and Convention Center as coinsured.
6. The independent contractor must follow the scheduled work times or pay any additional costs incurred because of extended work hours.
7. The independent contractors may not solicit business on the exhibit floor.
8. The independent contractors must confine their operation to the exhibit area of their clients. No service desks, storage areas or other work facilities will be located anywhere else in the building. The show aisles and public spaces are not part of the Exhibitor's booth space.
9. The independent contractors must comply with all labor agreements and practices and must not commit or allow to be committed by persons in their employment any acts that could lead to work stoppages, strikes or labor problems.
10. The exposition floor, aisles, loading docks, service and storage areas will be under the control of the Official Service Contractor, Fern Exposition and Event Services. The independent contractors must coordinate all of their activities with Fern Expositions.
11. For services such as electrical, plumbing, telephone, floral, booth cleaning and drayage, no contractor or supplier other than the Official Service Contractor/Supplier will be approved. This regulation is necessary because of licensing, insurance, and work done on equipment and facilities owned by parties other than the Exhibitor. Exhibitors shall provide only the material and equipment they own and is to be used in their exhibit space.
